Libourne, France 法国利布尔恩

Bordeaux, France

Stately mansions, restored houses and grand squares form the heart of Bordeaux's Old Town, often called the "Port of the Moon" for its location on a crescent-shaped curve of the Garonne River. Among its treasures, the neoclassical Grand Théâtre de Bordeaux is the pride of the city. Another cultural gem, and a national monument of France, is the spectacular Cathedral of St. Andrew. In 1137, Eleanor of Aquitaine wed the future Louis VII in the cathedral when she was 13 years old. The elegant, 17-arched Stone Bridge is favored among the Bordelais for whiling away an afternoon and capturing views over the river, docks and the harbor.

Scenic Sailing: Dordogne River, France

As you sail along the lush, green banks of the Dordogne, you will understand why writer Henry Miller called this fertile region a "country of enchantment." Behind the tree-lined shores that you drift past, vast vineyards stretch into this peaceful and pastoral region, leading to sylvan forests harboring secret stashes of truffles and thriving farms that grow

the season's bounty of fresh produce. Occasional castles and grand manses peer out from behind hedgerows along the Dordogne, and the farther upriver you go, the more intimate and narrow the waters become.

Libourne, France

This evening, dock in Libourne, where you will enjoy your overnight stay. Built as a fortified town intended to help colonize the wilderness areas of southwestern France, Libourne has hugged the confluence of the Dordogne and Isle Rivers since 1270. Libourne was founded and named by Roger de Leybourne under the English Crown and King Edward I. Later, the town was caught in the middle of struggles between the French and English in the 14th century; England's loss was France's gain when it joined the latter. Today, Libourne enjoys a respected status as a wine-making capital of northern Gironde and hosts one of the area's largest fresh food markets.

法国波尔多

庄严的豪宅、修复过的房屋和宏伟的广场构成了波尔多老城区的中心，该城因其位于加龙河新月形河道上而常被称为“月亮港”。在众多瑰宝中，新古典主义风格的波尔多大剧院是这座城市的骄傲。壮观的圣安德鲁大教堂是另一颗文化瑰宝，也是法国的国家纪念碑。1137年，年仅13岁的阿基坦的埃莉诺在大教堂与未来的路易七世结婚。优雅的17拱石桥深受波尔多人的喜爱，人们可以在此消磨下午时光，欣赏河流、码头和港口的美景。

法国利布尔恩

今晚，您将在利布尔恩停靠，并在此过夜。利布尔恩建于1270年，是一座防御城镇，旨在帮助殖民法国西南部的荒野地区。利布尔恩自1270年以来一直紧邻多尔多涅河和伊尔河的交汇处。利布尔恩由罗杰·德·莱伯恩在英国王室和爱德华一世国王的统治下建立并命名。后来，该镇在14世纪陷入了法国和英国之间的斗争之中；英国的损失就是法国加入法国的收获。如今，利布尔恩享有北吉伦特省酿酒之都的尊贵地位，并拥有该地区最大的新鲜食品市场之一。

Day 6 — Bordeaux, France 法国波尔多

Scenic Sailing: Garonne River, France 风景优美的航行：法国加龙河

Bordeaux, France

Bordeaux's good fortune began in the 12th century when Duchess Eleanor of Aquitaine married Count Henri Plantagenêt, who soon became King Henry II of England. Their wedding in 1152, which claimed by marriage southwestern France for England, led to a growing popularity in wine production. Claret was the primary style of Bordeaux wine at the time and England imported it in large quantities. France regained control of the region and its vines at the close of the Hundred Years' War in 1453. Since then, the city and its surrounding region has produced many styles, from simple table wine to the most prestigious and coveted bottles.

Scenic Sailing: Garonne River, France

Though its name may not be familiar, the Garonne River is among the most beloved waterways in the world of wine lovers. As you sail its languid waters, gaze upon gentle hills laden with vineyards and riverside outcroppings dotted with honey-colored castles that share long histories of skirmishes. Sleepy French villages set the tone of life along the Garonne, where a slow pace and gentle patience serve the wine-growing industry well. Fishing is also prevalent along the river's banks; you will pass some of the many *carrelets* (small fishing huts) hugging the shores.

法国波尔多

波尔多的好运始于 12 世纪，当时阿基坦公爵夫人埃莉诺嫁给了亨利·普兰塔热内伯爵，后者很快成为英格兰国王亨利二世。他们于 1152 年举行婚礼，通过联姻将法国西南部划归英格兰，从而使葡萄酒生产越来越受欢迎。当时，红葡萄酒是波尔多葡萄酒的主要风格，英格兰大量进口。1453 年百年战争结束时，法国重新控制了该地区及其葡萄藤。从那时起，这座城市及其周边地区生产了许多风格的葡萄酒，从简单的餐酒到最负盛名和最令人垂涎的酒瓶。

风景优美的航行：法国加龙河

虽然加龙河的名字可能不太为人所知，但它却是葡萄酒爱好者最喜爱的水道之一。当您在缓缓的河水中航行时，可以凝望遍布葡萄园的平缓山丘和河岸的露头，河岸上点缀着蜂蜜色的城堡，这些城堡有着悠久的冲突历史。宁静的法国村庄为加龙河沿岸的生活奠定了基调，这里的慢节奏和温和的耐心为葡萄酒种植业提供了良好的服务。河岸边也盛行钓鱼；您会经过许多紧贴岸边的 **carrelets**（小型渔民小屋）。

Day 7 — Cadillac (Sauternes), France 法国卡迪拉克（苏玳）

Scenic Sailing: Garonne River, France 风景优美的航行：法国加龙河

Cadillac (Sauternes), France

Cadillac was built as a fortified town to protect Bordeaux. Its mighty towers gave watchmen a clear view of the Garonne, and a clear shot should any foe attempt to pass. This charming town and its 17th-century castle retain much of their old-world charm. Cadillac's locale on the waterway further gave it a central commercial role in the trade route to and from Spain. The name of the town was adopted by Antoine Laumet de la Mothe, Sieur de Cadillac, who later founded Detroit and governed Louisiana; the Cadillac division of General Motors is named for him.

Scenic Sailing: Garonne River, France

Set sail through the heart of the Bordeaux wine region as you journey along the Garonne River. Famous for its distinct color—the result of sediment-rich freshwater from its origins high in the Pyrenees Mountains mixing with the salty seawater of the Gironde estuary—this dynamic waterway plays a vital role in the economy of southwestern France. Part of the meandering Canal des Deux Mers (“Canal of the Two Seas”), it connects the Mediterranean and Atlantic Oceans, allowing a shorter and safer route between the two while bolstering inland trade and transportation.

法国凯迪拉克（苏玳）

凯迪拉克是一座防御城镇，为保卫波尔多而建。它高耸的塔楼让守望者可以清楚地看到加龙河，如果有敌人试图越过，他们也可以一击毙命。这座迷人的小镇及其 17 世纪的城堡保留了许多旧世界的魅力。凯迪拉克位于水道上，这进一步使其在往返西班牙的贸易路线中发挥了重要的商业作用。该镇的名字是由凯迪拉克爵士安托万·劳梅·德拉莫特采用的，他后来建立了底特律并统治了路易斯安那州；通用汽车的凯迪拉克分部以他的名字命名。

风景优美的航行：法国加龙河

沿着加龙河航行，穿过波尔多葡萄酒产区的中心地带。这条充满活力的水道以其独特的颜色而闻名——源自比利牛斯山脉高处的富含沉积物的淡水与吉伦特河口的咸海水混合而成——在法国西南部的经济中发挥着至关重要的作用。它是蜿蜒的两海运河 (Canal des Deux Mers) 的一部分，连接地中海和大西洋，为两海之间提供了一条更短、更安全的路径，同时促进了内陆贸易和运输。

Shore Excursions: Cadillac Walking Tour & Wine Tasting

岸上观光：凯迪拉克徒步之旅和品酒

Day 8 — Bordeaux, France 法国波尔多

Bordeaux, France

After breakfast, disembark your ship and journey home.

加龙河流经波尔多市中心，几个世纪以来一直是这座城市的生命线。作为启蒙时代的重要港口，波尔多在将这座城市打造为葡萄酒和其他商品的重要贸易商方面发挥了重要作用。波尔多最著名的广场可能是路易十五下令修建的交易所广场。它让人想起同样在路易十五统治期间修建的巴黎协和广场，其设计实现了将城市开放到河流上的愿景，为所有沿水路而行的人呈现了一个热情而尊贵的形象。早餐后，下船回家。
