Seven Magic Mountains

Across the desert south of Las Vegas, Nevada, rises a large, colorful anomaly. Seven colossal stone forms defy gravity with their teetering formations. Mediating between geological formations and abstract compositions, Rondinone's Seven Magic Mountains consists of locally-sourced limestone boulders stacked vertically in groups ranging between three and six. Each stone boasts a different fluorescent color; each individual totem stands between thirty and thirty-five feet high. The artwork extends Rondinone's long-running interest in natural phenomena and their reformulation in art.

Outlets at Barstow

Barstow Outlets is located in the desert, on the only way from Las Vegas to Los Angeles. There are not many first tier luxury brands in this Outlets, but second tier brands, especially local brands in the United States, are relatively complete and concentrated, and the service is also quite good, which makes it a comfortable experience.
