### Seattle Night Tour

We will firstly travel to Seattle Great Wheel, which is a giant Ferris wheel at Pier 57 on Elliott Bay in Seattle, Washington. With an overall height of 175 feet, it was the tallest Ferris wheel on the West Coast of the United States when it opened on June 29, 2012. Next stop is Kerry Park where visitors can have a panoramic city view of the entire Seattle. It is a perfect location for photography and if you see Space Needle with a backdrop of Mount Rainier in any marketing photos of Seattle, this is exactly where to take the pictures. In addition, the park was one of the many stops on the finale episode of the third season of Amazing Race. At the same time, we will visit Starbucks Reserve Roastery and Tasting Room. It is more like a modern coffee factory. You will witness the machines roasting the freshest coffee beans and grinding the most concentrated coffee powder. You can also open your mind up, order a cup of the most creative coffee, or enjoy the latest Starbucks products. Here you can also see the whole process of unsealing and baking the original coffee beans.
