Tour introduction

Day 1

Home - Airplane - Yellowknife

All day

Welcome to Yellowknife, the capital of Canada's Northwest Territories! We will pick you up with our complimentary 24-hour pick-up service from the Yellowknife Airport (YZF). Our tour guide will be wearing a red Canada goose jacket and holding a pick-up sign with your name on it. Shortly after, the tour guide will drop you off at your hotel to check in.

Yellowknife Town is one of the three major aurora viewing places in the world! It has a very special geographical location and natural conditions that allow the aurora to be seen approximately 240 days a year. When night falls, in order to stay away from the city's light pollution, we will drive to the Indian Hunting Tent Valley Camp. This special camp will provide hot drinks and snacks for guests. The guests will even have the opportunity to meet a native Indian hunter who will demonstrate their hunting methods and the wildlife they have caught. After the aurora appears, we will follow our guide to capture memorable photos which will be uploaded to the cloud for free downloads.

In the case of any heavy wind or snow, our experienced driver will take you to the lake or forest where it is also possible to see the aurora.

Day 2

Morning

Dog Sledding Adventure

Dog sledding was originally a common means of transportation for Eskimos, but today, it is a true outdoor experience during the winter! Today, you can experience the pleasure of a ride through the vast snowy sea or even play snow yo-yos which is a preferred indoor sport during the winter. You can even roast delicious marshmallows and pose with snowshoes while dog sledding.

Please be aware that there can only be 12-16 Alaskans/Huskies for 2-4 people on a 15-minute run by the forest lake.

Ice Fishing Tour

Experience a one-of-a-kind Ice-Fishing tour! Learn how the locals set up nets by the lake to fish and gather their next meal. They will even show you how they cook and kill fresh fish on the spot. Make sure to taste a bowl of delicious fresh fish soup paired with a special Indian pancake to keep you warm.

Yellowknife Snowmobile

There is nothing more exciting than driving a snowmobile! Unlike the motorcycles that we see on the road with wheels in our daily life, the snowmobiles in Yellowknife do not have wheels. The tracks of snowmobiles allows them to drive

more stably in the snow. For safety reason, you will be equipped with a brand-new snowmobile and a heated helmet and escorted by a professional guide with years of experience.
