Arenal Volcano

The impressive Arenal Volcano is a magnificent natural wonder that is situated in La Fortuna (The Fortune) of San Carlos, previously assumed to be dormant, until in 1968, when it experienced a major eruption. Now is visited by tourist from all around the world hoping for the opportunity to witness volcanic activity, such as the white plumes of smoke that emanate from the conical shaped behemoth.

Tabacon Hot Springs

Tabacon Hot Springs combines the four elements of nature; the heat of the volcano, the flowing waters of the hot springs, the pure air of the rainforest, and the fertile earth of the Fortuna de San Carlos Region. There are five main springs source highly mineralized water that is heated underground by the Arenal Volcano's magma. An essential part of exploring the wondrous world of the Tabacon Hot Springs is soaking in the cascading thermal waterfalls. This natural hydrotherapy is a surefire way to achieve proper relaxation. The river-pool temperatures range from 72 to 105 degrees Fahrenheit.

or

Baldi Hot Springs

25 Thermal Water Pools Amidst the tropical rainforest, these 25 thermal water pools are filled by crystalline waterfalls, for the use and enjoyment of al visitors. The purity of the water will make you feel like you are floating in a oasis of healing, with birds singing all around and the sound of falling water that invites you to relax and recover your wellness and quality of life.
