Carved around the 4th century BC by Christian communities as a way to hide from persecution, Ozkonak comprises mazy tunnels and rooms used for sleeping, schooling, religious services, and storage, all with ventilation systems. Next, head for the UNESCO-listed Goreme Open Air Museum, a collection of historical cave churches and monasteries dating from the 4th to 12th century AD, which are famous for their ornate frescoes of Biblical scenes. This afternoon, visit Avanos, a village renowned for its old houses and potteries. Admire the pottery made here and join a workshop to watch artisans craft beautiful terracotta utensils, with the chance to try creating an item yourself.
