Grand Canyon National Park

Grand Canyon National Park, located in northwestern Arizona, is the 15th site in the United States to have been named as a national park. The park's central feature is the Grand Canyon, a gorge of the Colorado River, which is often considered one of the Wonders of the World. The park, which covers 1,217,262 acres of unincorporated area in Coconino and Mohave counties, has received more than six million recreational visitors in 2017, which is the second highest count of visits in all American national parks after the Great Smoky Mountains National Park. The Grand Canyon was designated a World Heritage Site by UNESCO in 1979.

Grand Canyon South Rim

The Grand Canyon South Rim is located in the middle of the Grand Canyon. The terrain is steep and magnificent. The canyon is bottomless and the largest in terms of scale. The construction of the park is well done and perfect, especially suitable for self-driving on the road. There are no commercial facilities. Almost all viewpoints are kept as original as possible. The large-scale magnificent landscape and the perfect and suitable environment make people feel full of emotion and linger in the face of this master's superb workmanship.

M&M'S Las Vegas

The M&M's Las Vegas store is a 28,000 square foot, four-level monument M&M's store and was the first store location ever. In just 2 minutes, guests can create their very own one-of-a-kind M&M's with the personal printer. And, before you go, make sure to keep that sweet tooth satisfied with your favorite chocolate!

Coca-Cola Store Las Vegas

Welcome to the Coca-Cola Store Las Vegas! Make Coca-Cola Store part of your Las Vegas adventure and experience the world's most iconic beverage in such a unique and one-of-a-kind way!

FlyOver Las Vegas

This is such an interesting adventure that takes you through volcanoes, glaciers, the West over vast prairies and towering peaks, and through electric urban spaces and so much more!

Seven Magic Mountains

Across the desert south of Las Vegas, Nevada, rises a large, colorful anomaly. Seven colossal stone forms defy gravity with their teetering formations. Mediating between geological formations and abstract compositions, Rondinone's Seven Magic Mountains consists of locally sourced limestone boulders stacked vertically in groups ranging between three and six. Each stone boasts a different fluorescent color, and each individual totem stands between thirty and thirty-five feet high. The artwork extends Rondinone's long-running interest in natural phenomena and their reformulation in art.

Outlets at Barstow

Barstow Outlets is located in the desert, on the only way from Las Vegas to Los Angeles. There are not many first-tier luxury brands in this Outlets, but mostly second tier brands, especially local brands within the States. The collections are relatively complete and concentrated, and the service is also quite good, making it a comfortable shopping experience to close out the day.
