Day 4**Knoxville - Vehicle - Lookout Mountain**

All day

After breakfast, we will head to Chattanooga and explore the magnificent Lookout Mountain and Ruby Falls which is a 145-foot-high underground waterfall located within Lookout Mountain. Following, we will take a visit to Rock City. Finally, we'll take the Lookout Mountain Incline Railway.

Itinerary:

Knoxville → Lookout Mountain → Ruby Fall (Optional, 90 mins) → Rock City (Optional, 75 mins) → Lookout Mountain Incline Railway (Optional, 75 mins) → Hotel

Morning

Ruby Falls

A breathtaking 145-foot underground waterfall is a natural wonder. It is located over 1,120 feet below the surface of Lookout Mountain. It is fed by rainwater and underground springs and the water from the falls eventually flows into the Tennessee River.

Rock city

On the top of the Rock City, it is said seven neighboring states might be seen from Lover's Leap - you can find out whether it is true or not. However, we are sure you will be amazed by the breathtaking panoramic views of the natural landscape, massive ancient rock formations, and gardens with over 400 native plant species.

Incline Railway

This historic hilltop on the southern border of Tennessee has a colorful history as a place of importance during wartime. Most notably, it was the centerpiece of the Battle of Lookout Mountain during the American Civil War. This team has been running almost continually since 1895 and except for an engine update in 1911, it hasn't changed very much in more than 100 years of operation. The ride stretches about one mile up the mountain and the incline reaches a breathtaking 72.7% grade – almost straight up! Enjoy the “America’s Most Amazing Mile” aboard!

Night

Hotel: Baymont by Wyndham Bowling Green; similar

Day 5
