Lima

Peru's capital is a fantastic city to tour, dotted with a multitude of cultural sites and beautifully preserved architecture. Founded by the conquistador Francisco Pizarro in 1535, Lima was first named 'City of Kings' – a biblical reference to the 'Three Wise Men of the East' – before its name was changed by the Spanish colonialists. The most significant historical buildings are located around the Plaza Mayor, the most notable being the Government Palace, where one can still observe the changing of the guard performed by the Húsares de Junín. The beautiful Cathedral and the various small palaces and colonial balconies also play also their part in the beauty of the city. Another highlight is the famed Larco Herrera Museum, documenting the millennial cultures that preceded the Inca civilization and containing a priceless collection of pre-Columbian artifacts, including some of South America's finest pre-Inca erotic pottery.

聖谷 --- 馬丘比丘 --- 庫斯科

(英文導游) 馬丘比丘印加帝國遺址。早餐后出發，導遊帶領坐車，前往被選為世界 7 大奇觀的印加帝國遺址 - 馬丘比丘。馬丘比丘是一座印加城堡，位於秘魯安地斯山脈高處，烏魯班巴河谷上方。它建於 15 世紀，後來被廢棄，以其精緻的乾石牆而聞名，這些石牆在不使用砂漿的情況下融合了巨大的石塊，這些有趣的建築利用了天文排列和全景。它以前的確切用途仍然是個謎。全部由原石砌造，工藝精湛，體現了當年印加王朝的盛世輝煌，是當年印加帝國的聖地，最高祭師居住的神殿。古城因此被列為世界十大文明之謎。古堡旁綠草如茵，美麗，祥和，實在是世外桃源。午餐於山下享用，非常豐富。餐後做豪華觀光火車返回庫斯科，酒店用晚餐，夜宿庫斯科。

Cusco

Once called the 'Navel of the World' by the Incas, Cuzco remains a city that blends colonial Spanish charm with older, more austere remains of pre-Columbian glory – one can still see the foundations of Inca structures on many of its city streets today. Cuzco's most important landmarks include sites from both Inca and colonial times, such as the Korikancha (the ancient Temple of the Sun), the Inca street of Loreto with its 12-cornered stones, the cathedral, the Museum of Colonial Art, the archaeological park of Saqsaywaman (the fortress-temple), the nearby funerary shrines of Kenqo, and the water-worship site of Tambomachay.

過夜: Sonesta Hotel Cusco

Sonesta Hotel Cusco is located just an 8-minute drive away from the Velasco Astete Airport, and a few blocks from the Main Square. 07:00	Machu Picchu
-------	--------------

Machu Picchu

Located more than 6000 feet above sea level in Peru's mountain peaks, Machu Picchu is one of the world's most impressive archaeological sites. This legendary lofty city was abandoned by the Inca Empire, reclaimed by the jungle and lost to humanity until its rediscovery in 1911. Built by the Incas on the summit of "Machu Picchu" (Old Peak), in the middle of a tropical montane forest overlooking the canyon of the Urubamba, the 'Lost City of Machu Picchu' is a site of extraordinary beauty and enormous archeological significance. The complex reflects the Inca Empire at its height, with giant walls, terraces and ramps that appear to have been cut naturally in the continuous rock escarpments. The phenomenal technological skills of the Incan engineers can be seen in multiple facets of the site: the exacting precision of the massive stone buildings, the water channels that reveal a deep understanding of hydraulics, and Intihuatana ("the highest point of the Sun"), which served as a solar calendar that regulated planting and harvesting.

早上	Fortress of Sacsayhuaman

Plaza de Armas Cusco

The Plaza de Armas has been the core of the city since the time of the Inca Empire. It's the most obvious location to soak up the city's historical atmosphere, before exploring the iconic landmarks that flank it. From here the impressive Cathedral and La Compania are mere steps away.

Fortress of Sacsayhuaman

This impressive Inca archaeological site, perched atop a hill outside the city of Cuzco, is believed to have served a dual purpose as both a temple and a fortress. Like many other Inca complexes, it is built from large stones, carefully crafted to fit tightly together without the use of mortar. It was declared a UNESCO World Heritage Site in 1983.

Brazil is a vast, vibrant and magnetic country situated in the central-eastern part of South America, and lapped by the Atlantic Ocean. This melting pot of cultures, ethnicities, and religions is a product of its patchwork past of local traditions, colonial rule, and the influx of immigrants. It is South America's largest country, with a landmass comparable to that of the United States, and a mosaic of ecosystems that supports the largest array of flora and fauna on the planet. The Brazilian people are typically warm and friendly, while the country's natural diversity lends itself to myriad travel experiences, from idyllic coastal holidays and riotous Carnival celebrations to stopovers in the dynamic cities of Sao Paulo and Rio de Janeiro. Adventures await outdoor enthusiasts in the enthralling Amazon jungle.

Peru is most famous for the sacred archaeological site of Machu Picchu – visited each year by scores of intrepid hikers who brave the Inca Trail’s arduous slopes to explore the age-old ruins. The country’s attractions extend far beyond the mystical allure of this legendary location and include palm-fringed beaches, quaint Andean villages and archaeological treasures that predate Machu Picchu by hundreds of years – all imbued with the nation’s rich melange of indigenous and colonial cultures. Equally enticing are the exotic reaches of Peru’s Amazon rainforest; Lima’s superb eateries, exquisite

architecture and effervescent nightlife; the glittering, mountain-ringed waters of Lake Titicaca; and the vibrant city of Cusco, referred to by the Incas as ‘the centre of the world’.
