Buenos Aires

天 3 - 5

Situated on Argentina's stunning Rio de la Plata coast, Buenos Aires is a thriving portside capital defined by a rich history, vibrant culture, and strong European influence - thus nicknamed the Paris of South America. Countless museums covering a cornucopia of subjects; an active theatre culture; carnivorous buffets second to none; sensuous tango performances; a mosaic of architecture; and shops to fit all fancies – all these facets and more make up the seductive blend that is Buenos Aires. Some of the city's highlights include the buzz of the La Bombonera Stadium; tango and milonga venues like the Bohemian La Catedral; and heritage architecture such as that at the Cementerio de la

Recoleta, where visitors can wander through a ‘city’ of massive statues and marble mausoleums. Don’t miss the International Festival of Independent Cinema and the vibrant annual Pride Parade.

Lima

天 10 - 11

Peru's capital is a fantastic city to tour, dotted with a multitude of cultural sites and beautifully preserved architecture. Founded by the conquistador Francisco Pizarro in 1535, Lima was first named 'City of Kings' – a biblical reference to the 'Three Wise Men of the East' – before its name was changed by the Spanish colonialists. The most significant historical buildings are located around the Plaza Mayor, the most notable being the Government Palace, where one can still observe the changing of the guard performed by the Húsares de Junín. The beautiful Cathedral and the various small palaces and colonial balconies also play also their part in the beauty of the city. Another highlight is the famed

Larco Herrera Museum, documenting the millennial cultures that preceded the Inca civilization and containing a priceless collection of pre-Columbian artifacts, including some of South America's finest pre-Inca erotic pottery.

Cusco

天 12 - 13

Once called the ‘Navel of the World’ by the Incas, Cusco rises in the southern Andes of Peru, where colonial grandeur meets the enduring stonework of the Inca Empire. A UNESCO World Heritage Site, it serves as the main gateway to Machu Picchu, the Sacred Valley, and surrounding ruins. At its centre, the Plaza de Armas—once Huacaypata—remains alive with cafés, arcades, and the 16th-century Cusco Cathedral, built from Sacsayhuamán’s stones. Nearby, the San Blas district unfolds with whitewashed adobe houses, blue balconies, and workshops where artisans craft metalwork, woodcarvings, and sacred art. Across the city, layers of history reveal themselves in landmarks such as the Korikancha, the Inca street of Hatun Rumiyoq with its twelve-angled stone, the Museum of Colonial Art, and the ancient shrines and water temples scattered through the surrounding hills.

聖谷 --- 馬丘比丘 --- 庫斯科

**(英文導游)** 馬丘比丘印加帝國遺址。早餐后出發，導遊帶領坐車，前往被選為世界 7 大奇觀的印加帝國遺址 - 馬丘比丘。馬丘比丘是一座印加城堡，位於秘魯安地斯山脈高處，烏魯班巴河谷上方。它建於 15 世紀，後來被廢棄，以其精緻的乾石牆而聞名，這些石牆在不使用砂漿的情況下融合了巨大的石塊，這些有趣的建築利用了天文排列和全景。它以前的確切用途仍然是個謎。全部由原石砌造，工藝精湛，體現了當年印加王朝的盛世輝煌，是當年印加帝國的聖地，最高祭師居住的神殿。古城因此被列為世界十大文明之謎。古堡旁綠草如茵，美麗，祥和，實在是世外桃源。午餐於山下享用，非常豐富。餐後做豪華觀光火車返回庫斯科，酒店用晚餐，夜宿庫斯科。

Machu Picchu

活動 • 計劃好的 • 07:00

Located more than 6000 feet above sea level in Peru's mountain peaks, Machu Picchu is one of the world's most impressive archaeological sites. This legendary lofty city was abandoned by the Inca Empire, reclaimed by the jungle and lost to humanity until its rediscovery in 1911. Built by the Incas on the summit of "Machu Picchu" (Old Peak), in the middle of a tropical montane forest overlooking the canyon of the Urubamba, the 'Lost City of Machu Picchu' is a site of extraordinary beauty and enormous archaeological significance. The complex reflects the Inca Empire at its height, with giant walls, terraces and ramps that appear to have been cut naturally in the continuous rock escarpments. The phenomenal technological skills of the Incan engineers can be seen in multiple facets of the site: the exacting precision of the massive stone buildings, the water channels that reveal a deep understanding of hydraulics, and Intihuatana, a carved ritual stone known as the "hitching post of the Sun", which served as a solar calendar that regulated planting and harvesting.

Plaza de Armas Cusco

活動 • 計劃好的 • 早上

The Plaza de Armas has been the core of the city since the time of the Inca Empire. It's the most obvious location to soak up the city's historical atmosphere, before exploring the iconic landmarks that flank it. From here the impressive Cathedral and La Compania are mere steps away.

Fortress of Sacsayhuaman

活動・計劃好的・早上

This impressive Inca archaeological site, perched atop a hill outside the city of Cuzco, is believed to have served a dual purpose as both a temple and a fortress. Like many other Inca complexes, it is built from large stones, carefully crafted to fit tightly together without the use of mortar. It was declared a UNESCO World Heritage Site in 1983.
