Night

Hotel: Fontainebleau Las Vegas; 同級

Day 2

Las Vegas - Vehicle - Zion National Park - Vehicle - Bryce Canyon National Park - Vehicle - Page

All day

Today we will leave Las Vegas for two major national parks in Utah: Bryce Canyon National Park and Zion National Park.

Itinerary:

Las Vegas → Zion National Park (Mandatory, 45 mins) → **Bryce Canyon National Park** (Mandatory, 60 mins) → **Glen Canyon Dam** (pass by) → **Lake Powell** (pass by) → **Page**

Morning Transportation: From Las Vegas to Zion National Park

Travel distance: 155mi Travel time: 2Hour30Minute

Morning

Zion National Park

A dream destination for hikers and photographers, Zion National Park may be located in the desert, but its terrain is anything but barren. Formed over millions of years of erosion, the park's myriad rock formations, numerous wilderness trails, and unique wildlife beckon visitors seeking solitude and inspiration. The park's many canyons, animal communities, and cultural sites are perfect for exploring in any season, but spring and fall are when the weather is most pleasant and the flowers are in full bloom.

Afternoon Transportation: From Zion National Park to Bryce Canyon National Park

Travel distance: 85mi Travel time: 1Hour50Minute

Afternoon

Bryce Canyon National Park

Bryce Canyon National Park, located in southwestern Utah, is not a true canyon, despite its name. Instead, it forms a vast natural amphitheater formed by erosion along the eastern face of the Ponsagant Plateau. Its unique geological formations, known as rock pillars, are formed by wind, river water, and ice erosion, along with sedimentary rocks from lakebeds. The red, orange, and white rocks within these formations create a unique natural landscape, earning it the nickname "Palace of Natural Stone Figurines."

Afternoon Transportation: From Bryce Canyon National Park to Page

Travel distance: 151mi Travel time: 2Hour40Minute

Night

Hotel: Days Inn & Suites by Wyndham Page Lake Powell; similar

Day 3

Page - Vehicle - Antelope Canyon / Horseshoe Bend - Vehicle - Grand Canyon National Park - Vehicle - Las Vegas

All day

Today, we will depart from Page and embark on a journey to explore natural wonders at Antelope Canyon and Horseshoe Bend. During today's adventure, you will also admire the breathtaking views of the Colorado River winding through the base of the canyon at Grand Canyon National Park. Finally, we will return to Las Vegas with unforgettable memories of nature's grandeur.

Itinerary:

Page → Antelope Canyon (Optional, 2hours) → **Horseshoe Bend** (Mandatory, 1hour) → **Grand Canyon National Park East Rim & South Rim** (Mandatory, 2.5hours) → **Las Vegas**

Kindly Reminder:

1. Lower Antelope Canyon will be closed for maintenance during 01/12/2026-01/18/2026. Affected by this, the original itinerary during this period will be adjusted to: Antelope Canyon X (Optional, 2hours).
2. To ensure children's safety, Antelope Canyon X explicitly stipulates: When children aged 0-8 visit, they must be accompanied by a guardian with a self-provided safety seat. Children who fail to bring a safety seat as required will not be allowed to enter. Thank you for your understanding.

Morning Transportation: Drive from hotel to Antelope Canyon / Horseshoe Bend

Travel distance: 10mi Travel time: 20Minute

Morning

Lower Antelope Canyon

The Lower Antelope Canyon is located in the north of Arizona, USA. It is formed by soft sandstone after millions of years of various erosion forces. Flash floods often flow into the canyon during the monsoon season. Due to the sudden increase in rainfall, the flow rate of the flash flood is quite fast. In addition, the narrow channel narrows the river channel, so the vertical erosion force is relatively large, forming the corridor at the bottom of the Lower Antelope Canyon and the hard and smooth edges on the valley wall that look like flowing water. There is no artificial lighting in the Lower Antelope Canyon. All visible light comes from the cracks at the top of the canyon. These lights are repeatedly refracted by the rock texture and enter the valley bottom, producing a dreamy and irregular color change. These colors are from deep to light, colorful and beautiful.

Horseshoe Bend

Horseshoe Bend – One of the top ten best photography spots in the United States selected by National Geographic Magazine! The dense aquatic plants on the Colorado River bed make the river water appear fluorescent green in the sun. The river turns 360 degrees in the reddish-brown canyon here, cutting out a horseshoe-shaped canyon, hence the name Horseshoe Bend. Standing on the edge of the cliff, you will be intoxicated by the breathtaking beauty of the blue water, blue sky and red rocks.

Morning Transportation: Drive from Horseshoe Bend to Grand Canyon National Park

Travel distance: 110mi Travel time: 2Hour

Afternoon

Grand Canyon National Park

Grand Canyon National Park, located in northwestern Arizona, is the 15th site in the United States to have been named as a national park. The park's central feature is the Grand Canyon, a gorge of the Colorado River, which is often considered one of the Wonders of the World. The park, which covers 1,217,262 acres of unincorporated area in Coconino and Mohave counties, has received more than six million recreational visitors in 2017, which is the second highest count of visits in all American national parks after the Great Smoky Mountains National Park. The Grand Canyon was designated a World Heritage Site by UNESCO in 1979.

Afternoon Transportation: Drive from Grand Canyon National Park to Las Vegas

Travel distance: 275mi Travel time: 4Hour30Minute

Night

Hotel: Fontainebleau Las Vegas; similar

Day 4

Las Vegas - Vehicle - Los Angeles

All day

In the morning, follow the experienced tour guide to the Las Vegas Internet celebrity welcome sign to check in, and then go to the most popular Internet celebrity attraction on the avenue - M&M Chocolate World and the Coca-Cola theme store connected to it. The colorful chocolate beans, the peculiar taste of Coca-Cola, and the dazzling array of peripheral products will give you an in-depth understanding of the commodity culture of the two giants during the tour. You can also watch 3D movies in the four-story Chocolate World and get a different viewing

experience in the sweet air. Then come to the newly opened Fly Over Las Vegas, the latest optoelectronic technology + electric riding + 4D experience, and enjoy the beauty of Las Vegas and the surrounding areas from a different perspective. Farewell to the gambling city, we went to the Internet celebrity attraction - the colorful Stonehenge. Arrive at Barstow Outlets in the afternoon to enjoy the fun of shopping, and arrive in Los Angeles in the evening.

Itinerary:

Welcome To Las Vegas Sign & M&M Chocolate World & Coca-Cola theme store (Mandatory, 60 mins) → **Fly over Las Vegas** (Optional, 25 mins) → **Seven Magic Mountains** (30 mins) → **Outlets at Barstow** (120 mins) → **Los Angeles**

Morning Transportation: Drive from hotel to Welcome To Las Vegas Sign

Travel distance: 10mi Travel time: 15Minute

Morning

M&M'S Las Vegas

The M&M's Las Vegas store is a 28,000 square foot, four-level monument M&M's store and was the first store location ever. In just 2 minutes, guests can create their very own one-of-a-kind M&M's with the personal printer. And, before you go, make sure to keep that sweet tooth satisfied with your favorite chocolate!

Coca-Cola Store Las Vegas

There are only two Coca-Cola theme stores in the world, satisfying all your fantasies about Coca-Cola! The main entrance of the theme store is a four-story-high classic Coca-Cola bottle. The store is full of various products, from toys, stationery, aprons to clothing, table lamps, accessories, all of which are printed with the "Coca-Cola" trademark. This is also a paradise for collectors. The store sells Coca-Cola made in different countries in different eras. The various languages printed on the bottles are definitely the best souvenirs. You can also take a photo with the Coca-Cola polar bear on the first floor.

FlyOver Las Vegas

Experience a Las Vegas ride like no other on the Las Vegas Boulevard! Feel the magic of flight through immersive, state-of-the-art technology that lets you dip, dive and glide over awe-inspiring landscapes without leaving The Strip. This is such an interesting adventure that takes you through volcanoes, glaciers, the West over vast prairies and towering peaks, and through electric urban spaces and so much more!

Morning Transportation: Drive from Las Vegas to Seven Magic Mountains

Travel distance: 30mi Travel time: 30Minute

Morning

Seven Magic Mountains

Across the desert south of Las Vegas, Nevada, rises a large, colorful anomaly. Seven colossal stone forms defy gravity with their teetering formations. Mediating between geological formations and abstract compositions, Rondinone's Seven Magic Mountains consists of locally sourced limestone boulders stacked vertically in groups ranging between three and six. Each stone boasts a different fluorescent color, and each individual totem stands between thirty and thirty-five feet high. The artwork extends Rondinone's long-running interest in natural phenomena and their reformulation in art.

Afternoon Transportation: Drive from Seven Magic Mountains to Outlets at Barstow

Travel distance: 135mi Travel time: 2Hour

Afternoon

Outlets at Barstow

Barstow Outlets is located in the desert, on the only way from Las Vegas to Los Angeles. There are not many first-tier luxury brands in this Outlets, but mostly second tier brands, especially local brands within the States. The collections are relatively complete and concentrated, and the service is also quite good, making it a comfortable shopping experience to close out the day.

Afternoon Transportation: Drive from Outlets at Barstow to Los Angeles

Travel distance: 110mi Travel time: 1Hour40Minute

Night

Hotel: Lincoln Hotel Monterey Park/Los Angeles; Hartford Hotel, Bw Signature Collection; Best Western Plus Executive Inn; La Quinta Inn & Suites Pomona; 同級
