All day

### Neck Point Park

Neck Point is a destination waterfront park for Nanaimo and the region. The park is well known in the community for its historic, scenic and natural features. Rugged rock cliffs, with pebble bay beaches, and winding trails through Garry Oak groves will be found here. The park is a great location for photographers wanting to capture the essence of Nanaimo and the west coast lifestyle! The headland area in the north section of the park is a great spot to watch for Orca and Sealions and otters.

### Old Country Market - Goats on Roof

The Old Country Market started as a roadside fruit stand providing fresh produce to travellers heading to the west

coast of Vancouver Island. Over the years it has evolved into a landmark of Coombs, with a mixture of shops and eateries for locals and visitors alike. Oh yeah, and there are goats... on the roof!

### Day 3

**Port Alberni - Vehicle - Tofino - Vehicle - Port Alberni**

---

All day

Rise and shine! We will drive to Tofino in the morning! You can choose to watch whales at your own expense on the cruise ship or explore the natural hot springs on the island. Or you can just have your own peaceful time by the seaside. In the afternoon, we will head to the Pacific Rim National Park Reserve - Long Beach Unit and appreciate the natural scenery there. Finally, we will go to the Amphitrite Point Lighthouse to breathe the sea breeze! Overnight at Port Alberni.

Morning

#### **Tofino Whale Watching Cruise**

Guests of our Tofino whale watching trips will tour the waters of Clayoquot Sound where we most often view Grey Whales. The grey whale migration from Baja California, Mexico begins to arrive along the west coast of Vancouver Island in February and continues through late May. From March through October, over 200 'resident' grey whales will stay feeding in the waters. Humpback whales are seen throughout our season, with the most frequent sightings between June and September. You will also see Orcas (Killer Whales) throughout the year. In addition to whales, you will have chance to enjoy views of sea lions, eagles, sea otters and other amazing wildlife while on the water.

Afternoon

#### **Pacific Rim National Park Reserve - Long Beach Unit**

Lying along the west coast of Vancouver Island in the traditional territories of the Nuuchah-nulth First Nations, Pacific Rim National Park Reserve boasts kilometres of long sandy beaches, unspoiled temperate rainforests and adventures that will delight the explorer in all.

## Amphitrite Point Lighthouse

The Amphitrite Lighthouse is a classic sight in Ucluelet. In fact, if you've been to Ucluelet, but didn't go to the lighthouse, it hardly counts as having visited the quaint fishing village on the west coast of Vancouver Island. As peaceful and postcard-perfect as the lighthouse looks, especially as the sun kisses the horizon goodnight, basking the squat white building in pinks and golds, it is a product of tragedy. No matter the season, seeing the Amphitrite Lighthouse is a treat for the eyes of anyone on the coast.

The 157-hectare MacMillan Provincial Park is located on both sides of Pacific Highway 4 on the shores of Cameron Lake, 19 miles (30 km) west of Parksville and 10 miles (16 km) east of Port Alberni on Vancouver Island, British Columbia. MacMillan Provincial Park on Vancouver Island is famous for Cathedral Grove, one of the most accessible stands of giant Douglas-fir trees in British Columbia. A stroll on the network of trails meandering through the towering ancient Douglas-firs, some of which are more than 800 years old, can be quite an inspirational experience.

### Little Qualicum Cheeseworks

Little Qualicum Cheeseworks was established in 2001. Visitors can meet the mixed herd of 45 dairy cows, watch the live stream of the robotic milker (voluntary milking system), and interact with the calves and a variety of animals including
